Homework in Priory Class

Dear Parents/Carers,

To make homework easier for all involved, I have changed the format. Each child has a CGP workbook for both Maths and English; they will be set a page weekly (or several depending on the complexity of the task) from each book to complete.

Children will take home a sheet stating the pages to be completed in their given books – to save paper and time; all groups are included on the sheet. For example, Year 5's have been given a Year 5 Targeted Question Book for both Maths and English (Grammar, Punctuation and Spelling), so they will need to complete the work listed under Year 5.

The children will be set homework on a Friday and need to hand this in by the following **Wednesday**, at the latest. It is extremely important for the homework set to be completed and books returned each week, in order to be marked.

Each child has been allocated one copy of each book, if these get lost, parents will be expected to replace them.

Tasks should take no longer than 30 minutes, even if they are not completed.

If you have any questions or queries, please do see me.

Best wishes

Jessica Beaney
