

Sound of the Week – Term 5 2017

The Nursery children will continue with a 'Sound of the Week' display to help them to recognise the letters and sounds of the alphabet. The children will be encouraged to bring something in from home (non-precious) to display each week beginning with the chosen sound. They will start to learn what the grapheme (letter) looks like, hear the phoneme (sound) and learn the Jolly Phonics action for the sound alongside finding objects which have this initial sound. Phase 1 activities will continue alongside continuing to encourage listening, rhyming and alliteration. We are now working on phase 6 'Voice Sounds'

Week beginning 24th April – Revisit last terms sounds by playing games, bag of sounds, swap shop etc.

Week beginning 1st May the sound will be 'Uu' - Umbrella

Week beginning 8th May the sound will be 'Rr' - Robot

Week beginning 15th May the sound will be 'Hh' - Horse

Week beginning 22nd May the sound will be 'Bb' - Boot

Thank You
